

Latest information on our

# CONFERENCE

## Sports for Development and Peace

**22 - 24 MAY 2017**

*To all MCCI members and friends...*

The time to this ground breaking conference is getting closer and we need to start finalizing arrangements & the program. As this conference will discuss more than just the function of the Sporting Centre, but also its planning & building, please see the categories below as a guideline on the target audience we wish to reach:

- **Individuals, Business Men/Women and Small Farmers:**  
Networking & Business Relations
- **Building & Construction:**  
Architects, Construction Industry, Solar Energy, Grey Water
- **Sporting Fraternity:**  
Individuals, Sporting Teams, Sporting Federations/ Associations
- **Trainers & planners in the sporting arena:**  
Networking & Planning

Please indicate the name(s) of attendees for this conference on or before the **15 May 2017**. Where sporting federations are involved, our request is that your sporting organization indicate who will represent you at the event (the names of the delegation) and the speaker that will represent your sporting code in a 20 minute slot. This presentation is to pledge your support for the planned Sporting Centre and also give the attendees an idea of what you are already doing for Development & Peace in your sporting code.

Please contact us for any further information on your involvement in the huge project.
